

YOUR WORLD

The mission of the New Hampshire Department of Environmental Services (NHDES) is to help sustain a high quality of life for all citizens by protecting and restoring the environment and public health in New Hampshire.

We offer opportunities which allow you to contribute to the accomplishment of our mission, while advancing your knowledge and skills, and providing you with valuable field experience.

EXPAND YOUR HORIZONS

NHDES offers 12- to 26-week paid internships. Simply fill out *one* application to be considered for *all* available positions.

Most internships will begin in May and have a Monday through Friday, 8 AM-4 PM schedule.

HOW TO APPLY

Any student with a high school diploma, GED or equivalent is eligible to apply. Preference will be given to college students who have completed their sophomore year, are maintaining at least a 2.5 GPA and are studying one of the following fields: environmental sciences, biology, chemistry, engineering, business, communications, education, journalism, or public and media relations.

A completed application will include:

- State of NH Employment Application
- Cover letter
- Resume
- Copy of an official college transcript
- Internship Contact Information Form

Submit your application package:

Electronically:

Email: HR@des.nh.gov

Fax: (603) 271-0900

By mail:

NH Department of Environmental Services
Human Resources
PO Box 95, 29 Hazen Drive
Concord, NH 03302-0095
Attn: Sharda Rao

Deadline: Electronic, hand-delivered or mailed applications typically have a deadline in March. Late or incomplete applications will not be considered.

To download the application and form, plus view position summaries, go to the NHDES Jobs webpage.
