RE: North Country Environmental Services, Inc.,
Landfill Facility - Bethlehem, NH
Type V Permit Modification Request
Stage IV Operating Permit #DES-SW-SP-03-002
Record Retention

Dear Mr. Gildersleeve:

North Country Environmental Services, Inc. writes to request a Type V Permit Modification to destroy all paper scale records to include and preceding those date June 1, 2007.

The records would be shredded and recycled during the summer of 2014 due to the lack of storage space at site. Should you have any questions please do not hesitate to contact me at (802) 651-5454.

Sincerely,

NORTH COUNTRY ENVIRONMENTAL SERVICES, INC.
