

3. Monitoring Results Summary

Permit transfer requests shall include a summary of all monitoring results to date for the site or facility. Contact the Groundwater Permits Coordinator at (603) 271-6542 for a description of the DES's recommended water quality summary format if you are unfamiliar with the format.

4. Certification

I \_\_\_\_\_ hereby certify that as a duly  
(Type individual's name)

authorized representative of \_\_\_\_\_ we  
(Type name of current permittee)

are herein notifying the Department of our intent to transfer the groundwater permit

No. GWP \_\_\_\_\_ to \_\_\_\_\_  
(Type name of new permittee)

I understand that DES has 45 days within which to approve or deny the transfer request and shall notify the proposed new and current permittee(s) in writing of its decision. I understand that DES shall deny an application to transfer a permit if the permittee/facility is not presently in compliance with the permit, these rules or any applicable statutes, unless transferring the permit would facilitate returning the facility to compliance; if the permittee has failed to pay any outstanding penalties or costs related to the site, including DES's recoverable costs pursuant to RSA 146-A, RSA 146-C, RSA 147-A and RSA 147-B; and if the permittee has failed to perform in accordance with a court order, consent decree or other settlement agreement relating to the property subject to the groundwater permit.
