Subject: Notice of Public Comment on Permit Application and Draft Permit for Hazardous Waste Transfer Facility, Tradebe Treatment and Recycling Northeast, LLC, 410 Shattuck Way, Newington, NH

Dear Mr. Nusimovich:

The New Hampshire Department of Environmental Services, Waste Management Division (Department) has performed a completeness determination for your request to renew Tradebe Treatment and Recycling Northeast, LLC (Tradebe) Hazardous Waste Transfer Facility Permit No. DES-HW-TF-2000-01. Documentation requesting the renewal was received on May 1, 2006, and supplemental information was received on April 24, 2007; February 5, 2009; September 11, 2009; November 10, 2009; December 7, 2009; December 8, 2009; December 28, 2009; January 21, 2010; March 4, 2010; May 10, 2010; May 20, 2010; June 10, 2010; June 17, 2010; June 21, 2010; August 19, 2010; November 10, 2010; December 12, 2010; December 22, 2010; January 7, 2011; January 18, 2011; March 30, 2011; November 4, 2012; and January 29, 2013.

In accordance with Env-Hw 304.20, the Department is hereby notifying Tradebe that the above referenced documents have been determined to be complete and a Draft Hazardous Waste Transfer Facility Permit has been prepared for the purpose of proceeding with the 45-day Public Comment Period, as applicable under Env-Hw 304.21. A legal notice to solicit public comments will be published by the Department in both a local newspaper (Portsmouth Herald) and a statewide newspaper (Union Leader) on July 24, 2014. In the meantime, we request that you compile an extra copy of the Hazardous Waste Transfer Facility Permit Application and the Draft Hazardous Waste Transfer Facility Permit along with the current permit, and place them at the Langdon Public Library, Newington, New Hampshire, in order that they are available for public review. I have enclosed a copy of the Draft Hazardous Waste Transfer Facility Permit for your convenience. The Public Comment Period will extend through the close of business on September 8, 2014.

Following a review of the public's comments on the application, the Department will determine whether a public hearing is warranted. A final decision on the permit renewal will occur following the Department's review of all public comments generated during the comment period and the hearing process, if held.

Should you have any questions regarding the application or the permitting process, please contact Linda R. Birmingham, Waste Management Engineer, or me at 271-2942.

Sincerely,

John J. Duclos, Administrator
Hazardous Waste Management Bureau
Waste Management Division
