SUBJECT: Allenstown- Allenstown Transfer Station, 104 River Road; Type IA Permit Modification Application Completeness, Permit # DPHS-SW-85-009; Ref.: WMD Doc Log #s 15652, 15653 and 15885

Dear Mr. Allen:

The New Hampshire Department of Environmental Services, Waste Management Division (Department), has completed its preliminary review of the above referenced application for the Allenstown Transfer Station in Allenstown, New Hampshire. In accordance with the requirements of the New Hampshire Solid Waste Rules, Section Env-Sw 304.03, the Department has determined that the application is complete.

The review procedures provided by Env-Sw 304.07 are now in progress. Pursuant to Env-Sw 304.08 a public hearing is required as part of the application process. Please contact the Department to schedule a mutually acceptable date for the public hearing. Additionally, pursuant to Env-Sw 304.08 (i), you are required to send a copy of the public hearing notice to all abutters by certified mail, return receipt requested.

Issuance or denial of the requested permit will occur following the Department's comprehensive technical review of the permit application and all public comments generated during the hearing process.

If you have any questions, please contact me.

Sincerely,

Wayne A. Wheeler, P.E.
