

Below is a list of individuals who have taken the Weed Control Diver Certification Program. They have each passed this course and earned their specialty certification to dive for and remove exotic aquatic plants. They are familiar with the methods, notification protocols, and existing regulations that pertain to this activity. They are available for hire for removing exotic aquatic plants (only) like variable milfoil, fanwort, and others.

Certified Date	Last Name	First Name	Address	City	State	Zip	Phone	E-mail
