

**Clean Water State Revolving Fund
NEW REQUEST FOR ASSET MANAGEMENT & ENERGY AUDIT
PROJECT PROPOSALS!**

2016 Project Priority List and Intended Use Plan Addendum No. 1

The NH Clean Water State Revolving Fund (CWSRF) is offering a new opportunity to submit pre-applications for low interest loans with principal forgiveness for wastewater and stormwater asset management programs and wastewater facility energy audits. The CWSRF will add new project proposals to the 2016 Project Priority List and Intended Use Plan and accept full loan applications through June 30, 2017.

NHDES encourages all communities to develop comprehensive asset management programs for water*, wastewater and stormwater infrastructure. Communities now have another chance to receive loans with up to \$30,000 in principal forgiveness for wastewater and stormwater asset management programs, and up to \$20,000 in principal forgiveness for wastewater facility energy audits.

NHDES is accepting these new pre-applications through **Friday December 16, 2016**. The CWSRF pre-application is available on the NHDES website at: http://des.nh.gov/organization/divisions/water/wweb/documents/srf_preapp.doc. Please submit new pre-applications to Dan Fenno at Daniel.Fenno@des.nh.gov or call (603) 271-3448 for information about CWSRF loans.

For more information about the minimum requirements to qualify for principal forgiveness for asset management and energy audits, visit "Incentive Programs" here: <http://des.nh.gov/organization/divisions/water/wweb/grants.htm>. Asset management questions may also be directed to Sharon Rivard (wastewater) at Sharon.Rivard@des.nh.gov and Barbara McMillan (stormwater) at Barbara.McMillan@des.nh.gov.

*This CWSRF initiative compliments the Drinking Water and Groundwater Bureau's recent call for grant applications for asset management.
