**\*\*Use attached sheet for any additional vehicles\*\***

**FEE**

The fee is **\$100** for each vehicle used to carry sludge or class B biosolids. Checks should be made payable to:

TREASURER – STATE OF NH

Send application and fee to:

NH Department of Environmental Services  
Wastewater Engineering Bureau  
Sludge Hauler Permits  
P.O. Box 95  
Concord, NH 03302-0095

**NOTE:** Sludge hauler permits expire on January 31 of the odd numbered year following the date of issuance, in accordance with Env-Wq 805.02 of the New Hampshire Sludge Management Rules.

Env-Wq 805.03 requires any person who wishes to renew the sludge hauler permit shall submit the information required the department not less than 30 days prior to expiration of the permit.

---

**CERTIFICATIONS**

To the best of my knowledge, the data and information which I have submitted to obtain a permit to remove or transport sludge is true and correct. I understand that a permit based on false or inaccurate data is subject to revocation. I also understand that transporting sludge derived from human waste over public roads is prohibited without prior written approval pursuant to Env-Wq 805 from the New Hampshire Department of Environmental Services.

I hereby certify as an applicant that I have not been convicted of a misdemeanor charge under any statute administered by the Department of Environmental Services within the five years prior to the date of application, or of a felony charge under any statute administered by any state or federal court within the ten years prior to the date of application.

I hereby certify that upon issuance of the permit, I assume complete responsibility for ensuring that all persons who will be transporting sludge with the applicant's vehicle(s) are familiar with the requirements of Env-Wq 800.

I hereby certify that all vehicles and containers proposed to be used to transport sludge have met all applicable federal and state requirements for sludge transportation.
