Boston, Massachusetts 02114-2023

**Re: Certification for New Hampshire CWSRF Projects Funded Under the
American Recovery and Reinvestment Act of 2009**

Dear Mr. Leighton:

In accordance with Section 1511 of the American Recovery and Reinvestment Act of 2009 (Pub. L. 115-5) (ARRA) and the Clean Water SRF Capitalization Grant made to New Hampshire under ARRA, I, Thomas S. Burack, Commissioner of the New Hampshire Department of Environmental Services and Chief Environmental Executive for the State, hereby certify that:

1. All infrastructure projects identified and described in the EPA-approved State of New Hampshire CWSRF Supplemental Intended Use Plan for the Capitalization Grant under ARRA have received, or will receive, the full review and vetting required by law; and,
2. All infrastructure projects identified in the aforementioned Supplemental Intended Use Plan are eligible projects under the CWSRF Program, comport with all relevant ARRA requirements and, therefore, are appropriate uses of taxpayer dollars; and,
3. This certification will be posted to the Department of Environmental Services website as well as the official ARRA website, www.recovery.gov.

Sincerely,

Thomas S. Burack
Commissioner
